5 consented by ordinance or resolution to the creation of the
6 district and to the inclusion of land in the district.

7 (b) If a municipality in whose extraterritorial
8 jurisdiction the district is located does not consent to the
9 creation of the district or if the district does not enter into an
10 agreement required by the terms of the municipal ordinance or
11 resolution consenting to the creation of the district under this
12 section before September 1, 2014:

10 governing body of a municipality under Subsection (b)(2), and a
11 director appointed to the board may continue to serve in a public
12 office of or be employed by the municipality.

11 majority of the assessed value of the real property in the district
12 may submit a petition to the commission requesting that the
13 commission appoint as successor temporary directors the five
14 persons named in the petition. The commission shall appoint as
